

FEES & CAMPERSHIPS

We love kids, and we love what camp does for them, regardless of their economic circumstances. That's why MacKenzie Camp offers a 3-tier fee structure.

Tier 1 covers the cost per camper of food, programming, plus essential costs of camp maintenance and administration. **Tier 2** is the cost of food and programming only. **Tier 3** is a reduced fee we can offer (no questions asked!) thanks to donors who want every youngster to experience camping.

Many families may still need assistance to send their kids to camp. So MacKenzie offers **camperships** to cover some or all the cost of registration as well.
