2024 MacKenzie Camp Campership Fund

MacKenzie Camp is committed to ensuring that families can go to camp regardless of their current financial circumstances. This commitment is maintained through a Campership Fund, built up from donations from local churches, businesses, organizations, and individuals. We strive to assist as many families as possible with the money in the fund, and therefore ask you to contribute to your camp fees.

Your contribution can come in installments at a later date (up to one week before the start of camp). However a deposit of \$25/camper is required to process each campership application.

Please note we can only provide one campership per child per summer. At a later date, if funds are still available, a second campership may be considered. You may also be able to get assistance with camp fees by talking to your local church, school or contacting a local service club or union.

HOW TO APPLY:

The following forms must be completed and submitted to our office by **May 31, 2024**. Funds will be allocated as applications come in. The earlier you submit the forms, the more likely it is that you will receive the level of assistance required.

1. **Confidential** 2024 Campership Application form (see next page)
2. **2024 Summer Camp Registration** form. **DO NOT** register your camper online.
3. **Minimum** \$25/camper deposit for camp. This can be a cheque mailed in or by e-transfer to maccamp@shaw.ca.

Within one week of submission of your application, we will be in touch with you by email regarding confirmation of a campership.
